

TUITION SCHOLARSHIP FOR ART TEACHERS TO ATTEND A PETERS VALLEY SUMMER 2008 WORKSHOP DEADLINE: APRIL 1, 2008

Peters Valley will offer tuition scholarships to four art teachers. One scholarship will be awarded in each of the following four categories: Elementary, Middle (Jr. High), High, and "Other", which may include special art programs. These four teachers will receive 50% off of workshop tuition for a workshop of their choice during the summer of 2008. Recipients will be responsible for all other associated costs such as the balance of tuition, material fees and room and board if needed. Peters Valley offers this opportunity in an effort to encourage art teachers to learn new skills or enhance existing ones.

Scholarship recipients will be chosen by a panel of Peters Valley staff. The panel will review the applications and select those that reflect the strongest need and desire to further develop their skills and understanding of craft media. The panel will take into consideration the applicant's experience and the contents of the letter of intent. While we feel it is important that the applicant show active involvement in their field outside the classroom, we also feel that a strong desire to enhance their school program and learn by doing is equally important. It is our hope that by taking a workshop at Peters Valley the recipients will be inspired to grow creatively in their personal work and pass information along to their students.

HOW TO APPLY:

1. Fill out the enclosed application form.
2. Include a one-page letter of intent stating why you would like to study at Peters Valley and how you would use your new skills to further develop your school program.
3. Include any visual documentation you wish such as slides of your work, papers you have written, award letters you have received, etc. For return of this material you must include a self addressed envelope with the proper amount of postage. DO NOT e-mail images to us.
4. Return all of the above by April 1, 2008 to:

PETERS VALLEY CRAFT CENTER

5. Applications will be reviewed in April 2008 and notification will be sent to all applicants by April 30, 2008. It will be very important for the scholarship recipients to register as soon as possible since workshops fill quickly.
